

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BYRON BATES,

Plaintiff,

v.

KING COUNTY, *et al.*,

Defendants.

CASE NO. C05-1348RSM

ORDER STRIKING PLAINTIFF'S
MOTIONS IN LIMINE AS UNTIMELY

This matter comes before the Court on plaintiff's Motions In Limine. (Dkt. #62), and defendants' related motion to strike. (Dkt. #63). Having reviewed plaintiff's motion, defendants' opposition, defendants' motion to strike, and the remainder of the record, the Court hereby ORDERS:

(1) Defendants' Motion to Strike (Dkt. #63) is STRICKEN as improper. Local Rule CR 7(g) specifically states that such a motion "shall not be presented in a separate motion to strike, but shall instead be included in the response brief, and will be considered with the underlying motion."

(2) The Court *sua sponte* STRIKES plaintiff's Motions In Limine (Dkt. #62) as untimely. This Court's Scheduling Order set forth the deadline for filing motions in limine as May 11, 2007. (*See* Dkt. #14). Plaintiff did not file his motions in limine until May 15, 2007, nor did he

1 request leave for an extension of time to file those motions. Accordingly, the Court will not
2 consider plaintiff's motions in limine. However, nothing in this Order prevents plaintiff from
3 objecting to the introduction of any evidence, if appropriate, during trial.

4 (3) The Clerk is directed to send a copy of this Order to all counsel of record.

5 DATED this 28th day of June, 2007.

6 

7 RICARDO S. MARTINEZ
